Portfolio: akileshhariharan.netlify.app

Summary

UI/UX Designer & Developer with **3+ years of experience** designing and developing responsive, user-centric web applications for enterprise and US-based clients. Strong expertise in **React.js, Vite, JavaScript (ES6+), HTML5, CSS3, Node.js, REST APIs, MySQL, and Figma**. Experienced in building reusable React components, integrating REST APIs, and translating UI/UX designs into scalable, high-performance web applications. Designed intuitive wireframes, prototypes, and enterprise dashboards while delivering **5+ secure client projects**, including Knowledge Management and Analytics portals. Proficient in **WordPress, Elementor, WPBakery, PHP, and CodeIgniter**, with hands-on experience leveraging AI-assisted development tools such as **GitHub Copilot, Claude, Codex, Gemini Flash, and Sonnet** to accelerate development and improve productivity.

Professional Experience

UI Developer, SciTech Patent Art Services Pvt. Ltd – Hyderabad Nov 2025 – Present

- Developed and maintained **5+ enterprise web applications** for US-based clients, contributing primarily to **frontend development** using **React.js, Vite, JavaScript (ES6+), HTML5, CSS3, Node.js, REST APIs, and MySQL**.
- Built **reusable, responsive React components** and implemented modern UI architecture to improve code reusability, maintainability, and application performance.
- Integrated **RESTful APIs** with React applications to deliver dynamic, data-driven user experiences and seamless backend communication.
- Designed and implemented **responsive, cross-browser compatible user interfaces** using HTML5, CSS3, JavaScript, Bootstrap, and modern CSS techniques.
- Collaborated with backend developers to build secure, scalable enterprise applications while optimizing frontend performance and user experience.
- Developed **three enterprise portals** using **CodeIgniter, PHP, JavaScript, HTML5, CSS3, and MySQL**, including a Patent Analytics Tool, Learning Management System (LMS), and Knowledge Management Portal.
- Developed **two responsive corporate websites** using **WordPress**, **Elementor**, and **WPBakery**, delivering customized business websites with modern UI.
- Designed intuitive **UI/UX interfaces** in **Figma**, including wireframes, prototypes, dashboards, and enterprise portal layouts before frontend implementation.
- Worked closely with product owners, designers, and development teams to transform business requirements into secure, scalable enterprise web applications while adhering to client confidentiality.
- Leveraged AI-powered development tools including **GitHub Copilot, Claude, Codex, Gemini Flash, and Sonnet** to accelerate development, debugging, refactoring, and productivity.
- Successfully delivered **5+ enterprise projects**, with primary expertise in **React.js frontend development** while supporting full-stack implementation using Node.js, PHP, and MySQL

UI/UX Designer & Developer, SmartZEN Solutions Pvt Ltd – Chennai May 2023 – Jul 2025

- Designed and delivered 20+ interactive wireframes and high-fidelity prototypes across 5+ mobile app projects, improving usability and client satisfaction with **Figma** and **Adobe XD**.
- Developed and maintained 10+ responsive websites using **HTML, CSS, JavaScript, and Bootstrap**, ensuring 100% cross-browser compatibility.
- Created 50+ marketing creatives and 20+ catalogs to strengthen brand identity using **Adobe Photoshop & Illustrator**.
- Implemented **SEO strategies**, improving search engine rankings and boosting website traffic by 40%.
- Led deployment and maintenance of 10+ websites on cloud platforms, resolving 95% of live issues within 24 hours.
- Built a responsive e-commerce platform and 10+ animated UI interactions using **React.js (Vite)**, **Reactbits**, and **Tailwind CSS**, boosting engagement by 30%.
- Oversaw a 6-month **digital marketing** campaign that grew online reach by 35%.

Graphic Designer (Part-Time), India Signal Pvt Ltd – Pudukkottai June 2018 – April 2021

- Created 100+ visually compelling posters and graphics for social media marketing campaigns.
- Created 30+ graphics monthly using **Adobe Photoshop & Illustrator**.
